of His Highness as the Act was enacted by Proclamation. Further it revised discussion on a subject which was already discussed in a previous session of this Council.

Mr. A. B. Salem *(Mattancheri):* I rise to a point of order. Rules 21 and 22 are the rules relating to adjournment motions.

The right to move the adjournment of the Council for the purpose of discussing a definite matter of urgent public importance shall be subject to the following restrictions, *viz.*

(1) not more than one such motion shall be made at the same sitting;

(2) not more than one matter can be discussed on the same motion and the motion must be restricted to a specific matter of recent occurrence;

(3) the motion must not revive discussion on a matter which has been discussed in the same session;

(4) the motion must not anticipate a matter which has been previously appointed for consideration or with reference to which a notice of motion has been previously given;

and (5) the motion must not deal with a matter on which a resolution could not be moved.

And these are the matters on which the motion could be moved. There are no other restrictions put here.

Deputy President: The relevant restrictions are there. Restrictions concerning the resolutions have also been looked into. Therefore, I disallow the motion.

Mr. A. B. Salem *(Mattancheri):* These are matters on which resolutions could be moved. So adjournment motions also can be brought on such matters.

Deputy President: On the grounds I have already given, I disallow the motion.

(4) Banning of processions and meetings in the State

Deputy President: Another motion is from the Hon'ble Member for Mulakunnathukavu regarding the recent order of the Government banning of processions and meetings in the State. I would have gladly allowed this motion. But the notification was issued under the Defence of India Act. Therefore that is also disallowed.

Mr. P. Govinda Menon *(Mulakunnathukavu):* If the Chair has not given its ruling, may I submit that under the restrictions given under the Act, notifications under the Defence of India Act are not included. We are to be Governed by the rules and Acts in this Council, and I don't think a notification made under the Defence of India Rules will be binding.

Deputy President: The Defence of India Act is in force here in the public interest. A motion which cannot be discussed without detriment to public interests cannot be allowed.

Rama Varmha Tampuran *(Secretary to Government):* Defence itself is outside the purview of this Council.

(5) Situation created by Government that makes prominent merchants to leave Mattancheri

Deputy President: Another motion is from the Hon'ble Mr. Ismail Hajee Essa Sait to discuss the situation created by the Government that makes prominent merchants to leave Mattancheri First of all, it is not a definite matter and moreover, it contemplates the subjects covered by the previous motions already disallowed.

(6) Banning of public meetings

Deputy President: Another motion is from Mr. A. V. Moothedan concerning the banning of public meetings. That is also disallowed.
